

Safety runs in the family.

Your hands are everything. Protect them with the technology and craftsmanship you can trust. For decades, 3M has been a leader in innovative personal safety for the body, head, ears, eyes and now, hands.

3M™ Comfort Grip Gloves - General Use

The Lightweight Heavyweight

Nitrile palm coating makes these gloves a light, flexible, abrasion-resistant and long lasting alternative to many cotton and latex palm-coated gloves. They provide excellent grip, even in wet or oily conditions.

The nylon stretch liner gives you a breathable, “second skin” fit and makes these gloves ideal for light- to medium-duty jobs that require precision handling, especially in hot and sweaty conditions.

Typical Applications

- General material handling
- Handling small parts
- Electrical component assembly
- Carpentry, plumbing, roofing

3M™ Comfort Grip Gloves - Cut Resistant

A Cut Above

These medium-duty gloves have the same features and comfort as the 3M General Use Gloves with even greater cut, puncture and tear resistance. They're excellent for jobs requiring dexterity when handling sharp parts.

Two varieties allow you to customize your cut level to the job's requirements. ANSI Cut Level A3, EN388 TDM Cut Level D glove is nitrile foam coated, while the ANSI Cut Level A1, EN388 TDM Cut Level B glove is polyurethane coated.

Typical Applications

- Handling abrasive or sharp materials
- Forming, bending or machining sharp parts
- Cable pulling and wire handling
- Cable preparation

Strong grip. Exceptional dexterity. Long lasting.

3M™ Comfort Grip Gloves - Winter

The Cold Weather Hotshot

These new 3M winter grade gloves have the comfort and dexterity of our 3M General Use Gloves but with added warmth for cold weather applications. They are nitrile foam coated for better grip.

Typical Applications

- General material handling
- Handling small parts
- Electrical component assembly
- Carpentry, plumbing, roofing
- Irrigation

The difference is in the grip.

These hardworking gloves are washable and feature a knit wrist cuff style.
